

11 March 2025

Dear Nainika

Thank you for your donation of \$500 towards Image Mission's International Women's Day fundraising campaign.

We are thrilled to acknowledge the impact of your wonderful hand-painted cards celebrating women's empowerment. Your creativity and dedication showcase artistic talent and also contribute to our mission of supporting women on their journey towards economic independence. Your contribution not only promotes awareness of our cause, it also provides our beneficiaries with at least 10 career coaching and interview styling sessions.

Thank you once again for your support and the transformative impact on the beneficiaries we serve.

Yours sincerely

Philomena Ang
